Another great meet for Sun Country T&T Team!

Our T&T athletes showed some great skills at the 2nd Florida State Qualifier at Reflex Gymnastics, Orlando on March 21-22. Sun Country was represented by 9 athletes winning a total of 12 first places, 8 second and 2 third places!!!

Joel Thomas (13) moved up to level 9 just before the meet and managed to take 2nd place on Trampoline and win the Double Mini Trampoline!

Ronnie Smith (11) also moved up to the first optional level on Trampoline - level 8 and showed his new skills close to perfect!

Dylan Smith (7) join the team just to stay busy after the boys team competitive season and ended up taking 2 first places and 1 second in level 3 and 4!

Jamie Stinson (17) proved again that she is the best level 9 girl in Florida taking the gold on all 3 events!

Maddie Grooms (15) is coming back from injury, so we are expecting some more good news from her too.

Hannah Paul (9) just moved up on Tumbling to level 7, which is hard to do at her age! She successfully did both of her new passes and won the 1st place!

Olivia Paul (11) won the Tumbling level 6, competing against many girls, and showed a great form!

Spencer Dupee (11) showed consistency and won the Tumbling level 5!

Adam Bailey (10) is still undefeated on his levels and age - 3 first places!

Way to go T&T Team!

Good luck at the State Championships!
